MEMORANDUM FOR RECORD

SUBJECT: Dental Corps Retirement Recognition Policy

1. Policy. The Chief of the Dental Corps will recognize all Dental Corps Soldiers and Civilian team members retiring with 20 years or more of federal service. This policy is not retroactive. Eligible retirees pending Uniformed Code of Military Justice (UCMJ) action and/or under suspension of personnel actions (flag) IAW AR 600-8-2 will not receive retirement recognition.

2. Confirmation of Retirement. All retiring DC Soldiers must have filed a retirement application through HRC and have a confirmed retirement date. An RFO or official retirement orders are not necessary to request retirement recognition.

3. Recognition. The Dental Corps Chief will recognize DC Soldiers and Civilian team members honorably retiring with 20 or more years of federal service with the following mementos:

a. All retiring DC team members will receive a DC Corps Chief Star Note (see separate Star Note policy).

b. Soldiers with 20 years or more service will receive a Dental Corps Medallion.

c. Civilian team members with more than 20 years of federal service will receive a Dental Corps crystal.

4. The years of service span from the BASD on the Record Brief through the date of retirement. For Civilians, the years of service begin from the service computation date (SCD) on the CRB through the date of retirement. Prior military service is not credited to civilian retirement recognition.

5. The years of service may be Active Duty, Reserve, or National Guard service, or a combination of Active Duty, Reserve, and/or National Guard service. All Reserve and/or National Guard time is only counted if the Soldier was actively drilling and met all drill requirements. Officers with prior service enlisted time counted toward years of retirement are also eligible to receive a medallion.

SUBJECT: Dental Corps Retirement Recognition Policy

6. Periods of service that are not eligible toward the medallion are: years as a cadet at the USMA (or any sister-service military academy); years as a cadet in an ROTC program (unless the officer simultaneously served on ARNG or USAR status and met all drill requirements for pay); period(s) of IRR service; and any break in service not computed as part of BASD.

7. Request for Retirement Recognition. To request Dental Corps retirement recognition, a Memorandum for Record will be submitted IAW enclosure 1, "Dental Corps Retirement Memo" signed by the commander (company commander or above) and the signed MFR will be emailed to: <u>usarmy.jbsa.medcom-ameddcs.mbx.dental-</u> <u>corps@mail.mil</u> with the subject line, "DC Retirement for Rank/GS Last Name" no less than 90 days prior to the proposed presentation date. An ORB/ERB/CRB will be emailed along with the memorandum. The email will be encrypted.

8. Review. The Office of the Chief, Dental Corps, will review all retirement request submissions for accuracy and ensure that all medallion requests meet the minimum standards set forth in this policy. Requests for a medallion that do not meet the prescribed criteria will not be honored. See paragraph 9. for exception-to-policy procedures.

9. Exception to Policy. Requests for an exception to policy may be submitted for the Dental Corps Medallion for Soldiers with less than 20 years of service. Only in rare cases will the request be approved. A memorandum requesting an exception to policy must address why the Soldier could not complete 20 years of service, and why his or her contributions to the Army, the AMEDD, and the Dental Corps were so significant that they should be considered for the medallion. Notification of the decision regarding an exception-to-policy request will be sent to the requestor by the Office of the Chief, Dental Corps. See enclosure 2.

10. The point of contact for this memorandum is the Office of the Chief, Dental Corps, at <u>usarmy.jbsa.medcom-ameddcs.mbx.dental-corps@mail.mil</u> or (210) 221-7489.
